COMUNI DI POMARANACE, MONTECATINI VAL DI CECINA E MONTEVERDI M.MO

### PRESS RELEASE

#### EMERGENCY? L'UNIONE DEI COMUNI ALTA VAL DI CECINA ACTIVATES ALERT SYSTEM, THE TELEPHONE ALERT SERVICE

The Union of Municipalities of Alta Val di Cecina, which includes the municipality of Pomarance, Montecatini Val di Cecina and Monteverdi Marittimo, has activated a new crucial tool for the safety of citizens: Alert System. This telephone alert service allows for timely communication of emergency situations, ensuring that all subscribers receive information quickly and effectively.

The Alert System is completely free for citizens and can quickly reach the phone numbers of those who subscribe to the service. With a recorded voice message, the population will be promptly informed about civil protection events such as weather alerts, evacuations, and other emergency situations.

The phone numbers available in public directories are included in the Alert System.

To register your mobile number and receive alerts directly on your smartphone, it's simple: visit the website <https://registrazione.alertsystem.it/umvaldicecina> and follow the instructions.

The registration must be completed by entering the municipality of interest in the 'location' field. In the address field, which is mandatory for registration, if the place of interest cannot be found, insert the phrase 'altro indirizzo' or 'presenza temporanea'.

### USEFUL NUMBERS

In case of alert or emergency, registered citizens will receive a call from the following numbers:

UNION OF MUNICIPALITIES ALTA VAL DI CECINA	05885720703
MUNICIPALITY OF MONTECATINI IN VAL DI CECINA	05885720702
MUNICIPALITY OF MONTEVERDI MARITTIMO	05657260206
MUNICIPALITY OF POMARANACE	05885720701

### AN IMPORTANT SUGGESTION

**Save these numbers in your contacts right away to recognize emergency calls immediately!**

Alert System is also available as an app at [www.alertsystem.it/qr](http://www.alertsystem.it/qr).

The Union of Municipalities of Alta Val di Cecina, with the activation of Alert System, reaffirms its commitment to the safety and well-being of its citizens.

Protect yourself and your family: register and download the app.
